SCHOOL DISTRICT REPORTS FOR THE YEAR ENDING JUNE 30, 1963

BICENTENNIAL REPORT

The year 1963 was New Boston's Bicentennial year: the two hundredth anniversary of the granting of its Charter of Incorporation. This historic event was observed by a variety of activities on July 4-7.

Thursday, July 4th, was celebrated in much the same manner as preceding Fourth's, and for which New Boston has long been famous. The Grand Parade, led by the Spartan Drum and Bugle Corps of Milford, opened the observance with one of the most popular features being the old stage coach, which was loaned to us by the town of Francestown. A few of our oldest residents were passengers. The old Tavern wagon was also an attraction.

At the conclusion of the parade, a precision drill was given by the Spartans at the Playground, and the town's proud possession, Molly Stark Cannon of Revolutionary War fame, was fired several times and provided a proper and resounding salute.

Beginning with words of welcome extended by Regis Lehman, Chairman of the Board of Selectmen, an interesting speaking program was highlighted by the presence of His Excellency, Governor John W. King, who brought greetings from the State, and who dedicated a large flag previously flown over the nation's Capitol and given to the town by Senator Norris W. Cotton in honor of the town's Bicentennial anniversary. Mr. Rene Gagne, of Hooksett, sole survivor of the group of Marines who raised the American flag on Mt. Suribachi in World War II performed the act of raising the new flag to the top of the flagpole at the Playground. This flag is now in possession of the Selectmen.

New Hampshire Congressman James C. Cleveland delivered the main address of the day.

Elder New Boston citizens, including the town's oldest resident, Mr. Joseph Daniels, and other honored guests were seated on the speakers' stand and Charles E. French served as master of ceremonies.

The afternoon program included a dinner served in the Town Hall, a tots parade, sports and contests, a Tri-Mountain League baseball game between Goffstown and New Boston with the former taking the win. An outdoor chicken barbecue was followed by an evening entertainment of barbershop quartet selections, a Scottish Country dance group performance, and instrumental music. Fireworks, a bonfire, and the singing of the National Anthem concluded the day.

On Friday, July 5th, eight interesting and attractive homes were graciously opened by their owners for an Open House tour. These were the homes of Mr. and Mrs. George Hinman, Mr. and Mrs. Clyde Heath, Mr. and Mrs. Waldron Hersey, Mr. and Mrs. Carl Friedrich, Mr. and Mrs. Reginald Hayes, Mr. and Mrs. Raymond Wells, Mrs. Winfield Shaw and Mr. and Mrs. Laurence Gaunt. This proved a most popular feature and was well attended.

The New Boston Players presented an entertaining three act drama entitled, "The Importance of Being Earnest" at the Town Hall on Friday evening.

RECORD OF TOWN MEETING – 1963

Articles in 1963 Town Warrant and Proceedings of the Town Meeting, March 12, 1963

The annual Town Meeting was called to order by the Moderator, Roland Sallada, at 10:00 A.M., March 12, 1963 and prayer was offered by the Rev. John L. Aalfs.

Articles 1 and 2 read by the Moderator:

1964 FINANCE COMMITTEE REPORT

The Finance Committee wishes to commend the selectmen and the school board for their efforts this year in having their budgets prepared and presented for early study. We recommend that this procedure be continued in the future.

In the town budget, the committee feels that with the exception of summer maintenance, all items are fair and reasonable estimates and should be approved. Summer maintenance should be reduced by \$1000.

The Finance Committee wishes to praise the selectmen for their efforts in staying within their last budget and for holding the line with the proposed budget.

Town Warrant

In the Town Warrant, it is recommended to purchase the new fire truck using money from the capital reserve fund, and spreading the remainder over a five year period. All other money items were approved with the exception of article 10 which would not apply after the purchase of the fire truck.

School Warrant

Although the committee was somewhat upset by the increase in the school budget, we felt that all items were fair estimates in the light of changing conditions from last year. Also it is true that an increase in income over last year will enable an overall reduction in the amount to be raised by taxes. The committee feels that the budget should be approved as it stands.

PAUL G. MANSFIELD,

Forest Fire Warden

Report of the Forest Fire Wardens and Your District Chief

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer

fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.

2. Carry your rubbish to the public dump — it's safer. A neglected backyard incinerator causes many fires.

3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.

4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

At a recent General Committee meeting, the final report of the treasurer of the Bicentennial celebration, Edward Locke, was submitted and approved. It showed gross receipts of \$5,990.57, and expenditures of \$4,350.71.

It was unanimously voted to return to the Town of New Boston the sum of \$880.26, which is the amount, plus interest, that had been previously appropriated by the voters for the Bicentennial, with the recommendation it be used to improve and renovate the kitchen of the Town Hall.

It was also voted unanimously that the balance, \$759.60, be given to the New Boston Playground Association with the stipulation it be set aside as a separate fund for repairs to the grandstand or toward a new one.

Such action has been carried out by Mr. Locke, and all accounts and books closed.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New Boston:

I herewith submit my annual report relative to the schools of New Boston.

In September, 1963, the New Boston schools opened with an enrollment of 258 pupils. The number of pupils per grade is as follows:

<i>Elementary School</i>		<i>High School</i>
Grade 1 - 22	Grade 5 - 27	Grade 9 - 15
Grade 2 - 29	Grade 6 - 20	Grade 10 - 20
Grade 3 - 22	Grade 7 - 22	Grade 11 - 21
Grade 4 - 34	Grade 8 - 17	Grade 12 - 9

Extensive renovations at a most modest cost were undertaken at New Boston High School to provide for full utilization of the school area and to make the rooms and hallways more attractive, hence more conducive to a learning atmosphere.

At the high school, Mr. Paul Spellman replaced Mr. Philip Smith as principal and has evidenced a full appreciation of the educational potential and given direction, coordination and impetus to the efforts of the entire student body and staff.

New teachers at the high school include Mr. Peter Edgecomb, agriculture and shop, Mr. Kenneth Jenkins, mathematics, Mrs. Raymond Regan, science, and Mrs. Virginia Wilson, English and French.

Mr. Gerald Johnson, a teacher at the elementary school last year, replaced Mr. James Currier as principal and has effectively made the transition and initiated efforts to integrate the efforts of the entire teaching staff. Miss Margaret Marston is a new teacher in grade 5 this year at the elementary school.

The citizens of New Boston need to be alerted to an ever growing school population problem which will require a solution in the immediate future. Each year, as the sixth grade is promoted, more pupils will enter grade 7 than graduated from the high school. In Grades 1 through 6, there are 151 pupils as contrasted to only 105 in Grades 7 through 12.

The New Boston citizens will be required to decide whether to expand our present facilities or to continue an attempt to enter into educational relationship with a nearby community. No hasty decision should be employed in a matter that can affect the boys and girls of New Boston for a generation or two and the taxpayers for a lifetime. With unbiased study and an honest appraisal, New Boston will wisely meet the problem and provide each boy and girl with an educational opportunity that will fully prepare him for his particular pursuits.

As we develop the greatest resources in our community, the potential of each boy and girl, our investment pays dividends for the lifetime of each, develops an individual who can readily meet and adjust to the ever changing demands of our democratic society and provides insurance for the perpetuation of American way of life.

I wish to acknowledge the full cooperation which has been extended

to me by the school board, the principals, the teachers, the pupils and the citizens of New Boston in our mutual task of promoting the educational welfare of the students. I wish also to express my appreciation to the Supervisory Union personnel, Mr. Spiro Anastos, Teacher Consultant, and Mrs. Ruth Henk and Mrs. Harold Smith of the office staff.

Respectfully submitted,

ERNEST PELTONEN,
Superintendent of Schools

MABEL E. HODGE,
School District Clerk

Saturday, July 5th was Alumni Day with a Tea and social hour in the afternoon held on the lawn of the High School and an Alumni Banquet and Anniversary Ball following. Many former alumni of New Boston schools, and other former residents attended these events, in a gratifying response to the Bicentennial invitations which were a copy of the one used at the time of the town's one hundredth and fiftieth anniversary on June 12, 1913.

Special services were held Sunday in the Community Church with Rev. John L. Aalfs officiating, and a commemorative program, with an etching of the first church on its cover, was given to all attending.

The Community Church and Whipple Library were open to all visitors during the three-day observance, as was the Exhibit Hall, across from the library, and the use of which was given by Mr. Roger Babson. This was an interesting and nostalgic exhibit pertaining to the history of New Boston and included articles and photographs of past events, classes in school, and many prized possessions of the townspeople.

The entrances to our town during the Bicentennial year have been enhanced by the large signs which did and presently do extend a visual and written welcome to our town. The artwork is that of Mr. and Mrs. Reginald Hayes. One of the signs is pictured on the cover of this town report.

We also wish to note here that Mrs. Mabel Hodge served as a member of the General Committee for a period, and when unable to continue, was replaced by Walter Kirsch.

Special thanks should be extended to the Playground Association which gave up its personal and annual sponsorship of the 4th of July Celebration that the day might be a part of the town's Bicentennial events.

The Bicentennial General Committee wishes to express its sincerest thanks to all who labored so diligently, gave of their time so generously and helped in any way to make the observance of this historic occasion the success it was. It required and received the cooperation and interest of the townspeople to make it a memorable and appropriate tribute to our beloved town.

This has been written as a report to the townspeople at this time, also that it might, by its appearance in the annual town report, become a record of the events and activities of the Bicentennial Celebration of New Boston July 4-7, 1963.

Signed,

HENRY FRIEDRICH, *President*
